## Inaugural General Meeting 7.30pm on 17 February 2021

The Falcon Centre Action Group is holding its first general meeting on Wednesday 17 February 2021. The Group has been running for some time, but has not had a formal structure or legal standing. The Group has done a lot of good work, but now wants to step up a level and believes a constitution is necessary. We are proposing a meeting to discuss this, which due to Covid will have to be on Zoom. The **Agenda** will be:

- 1 Welcome from acting chair**
- 2 Zoom and meeting protocols**
- 3 Brief review of work of the group so far – *available online as below***
- 4 Adoption of constitution - *available (as a draft) online as below***
- 5 Election of officers - Chair, Secretary, Treasurer, Membership Secretary - and of 4 ordinary members of the Committee - *nominations welcome by day before***
- 6 Date of first meeting of Committee**

To receive the Zoom link and attend you must first join the Action Group. You can do this very simply by emailing the acting secretary at [colinwpercy@gmail.com](mailto:colinwpercy@gmail.com) just giving your name and confirming you are 16 or over and have a local interest in the Centre. No payment needed! Please do this by 6.00pm on Tuesday 16 February along with any nominations for officers or the Committee. Documents for the meeting can be found at our new (interim) website at [colinwpercy4.wixsite.com/falconcentre/documents](http://colinwpercy4.wixsite.com/falconcentre/documents).
