

Falcon Centre Action Group

Inaugural General Meeting (on Zoom)

7.30pm on 17 February 2021

The Falcon Centre Action Group is holding its first general meeting on 17 February 2021. The Group has been running for some time, but has not had a formal structure or legal standing. The Group has done a lot of good work, but now wants to step up a level and believes a constitution is necessary. We are proposing a meeting to discuss this, which due to Covid will have to be on Zoom.

A constitution has been drafted and is available alongside other documents for the meeting as described at the foot of the page. Membership of the group and attendance on Zoom is invited from anybody who is aged 16 years old or over, lives in Wylam or the surrounding area and supports the aims of the Action Group. The aims are:

To benefit the residents of Wylam and the surrounding area without distinction of sex, sexual orientation, race or of political, religious or other opinions by providing, in conjunction with local authorities, voluntary and other organisations as appropriate facilities for recreation, education, arts and culture, heritage, environment, health and wellbeing and community based business activity in the former school building and site (known as the Falcon Centre) on Falcon Terrace, Wylam or elsewhere in the village and to encourage a community spirit, with the overall objective of improving the conditions of life for the residents.
